OUR SEAL will make its first legal appearance on the diploma of our first Sierra Vista graduates.

Students and faculty have projected a part of their personality into our seal. It signifies the influence of Sierra Vista upon each and every student. It is firmly embedded in the foundation of our personality. No student has been left unmarked.

The seal the students have received will be a reflection of Sierra Vista's—a resemblance perhaps hidden, yet existing.

Dedicated To Our First

THESE ARE OUR SENIORS—our first graduating class from Sierra Vista.

Beginning their high school career at Sierra Vista, they have been its important builders. Members of this class have had the responsibility of being the leaders and oldest class since freshman year.

To them, it is a school they think of as theirs in a special way. It was up to them to start the traditions that are important in a school. Their maturity has been reflected in the school—as they grew so did Sierra Vista.

The school has been influenced by this energetic group. Left by them are the ideals they have established by their hard work. Their gift, the Senior Quad, represents the spirit of this class. The determination of its members to fulfill their words with actions.

To this class, we wish to dedicate our yearbook, as they have dedicated themselves to the building of this school.

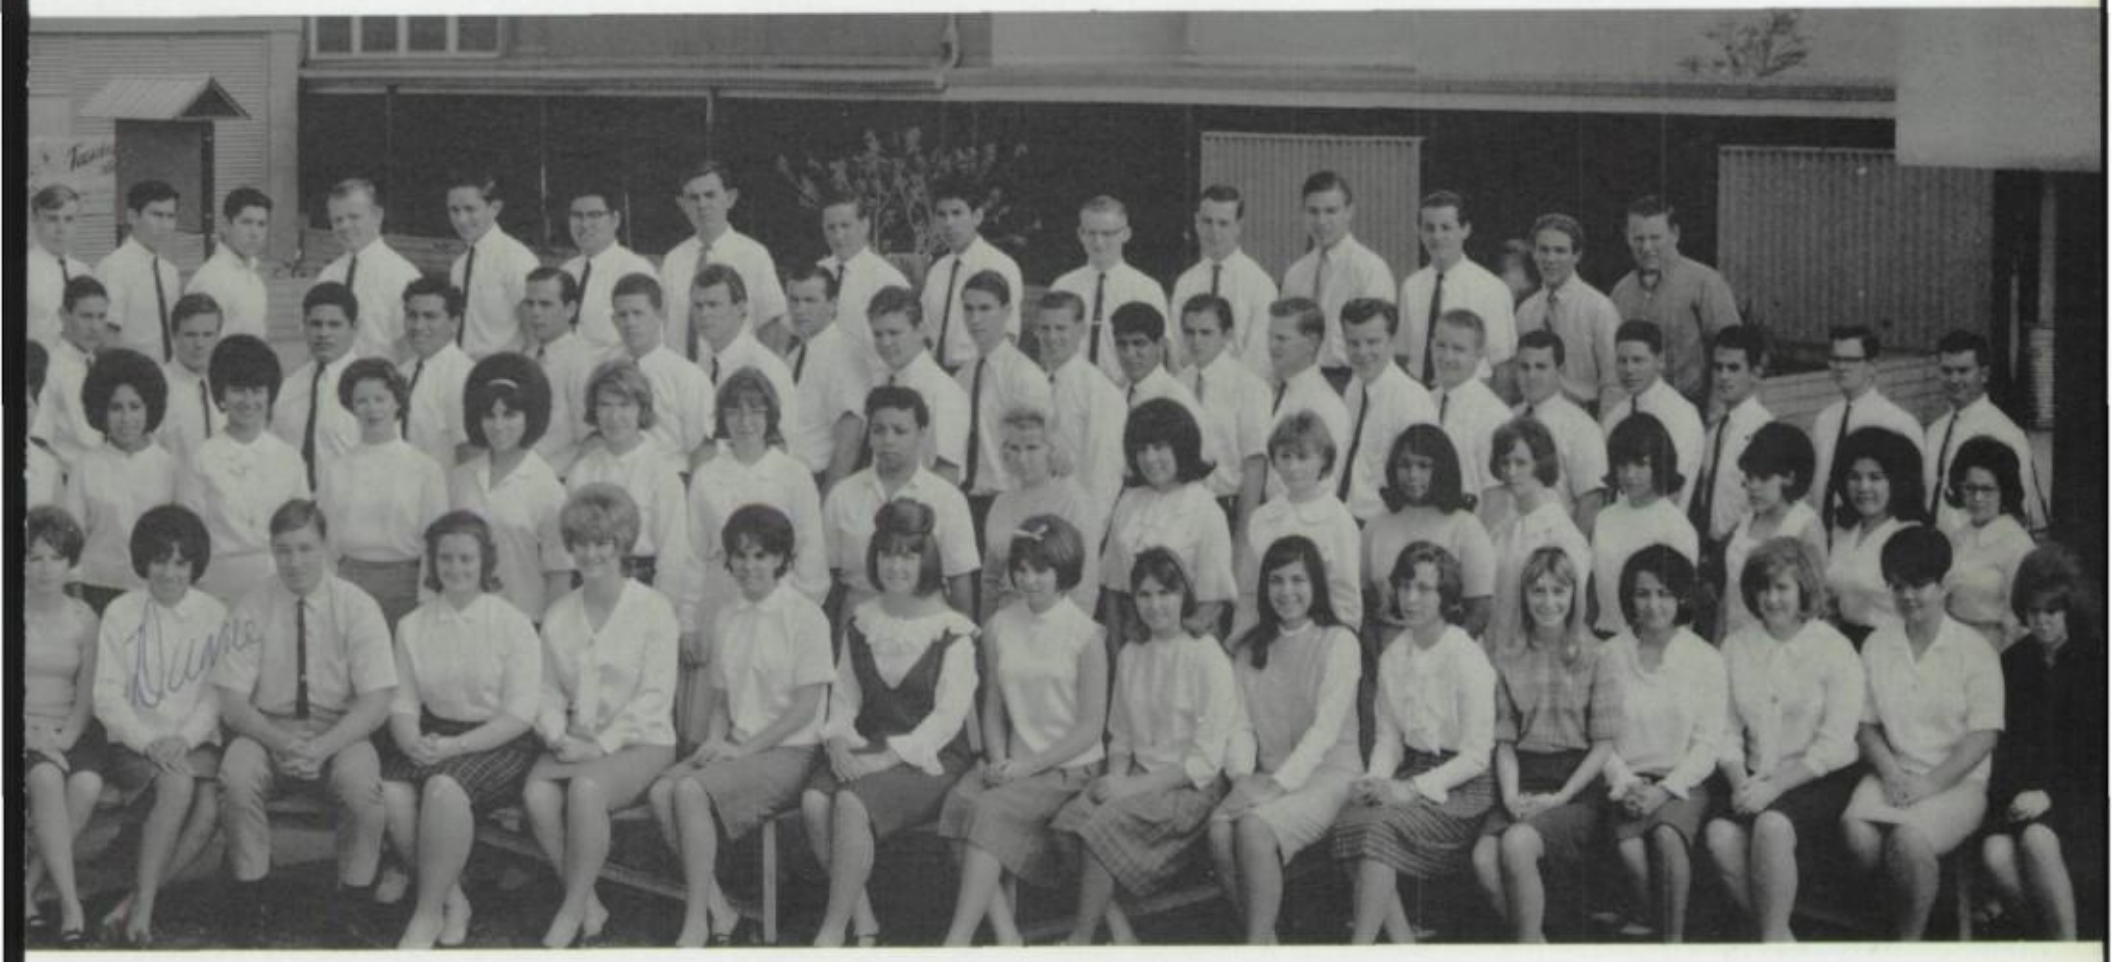
GRADUATING CLASS



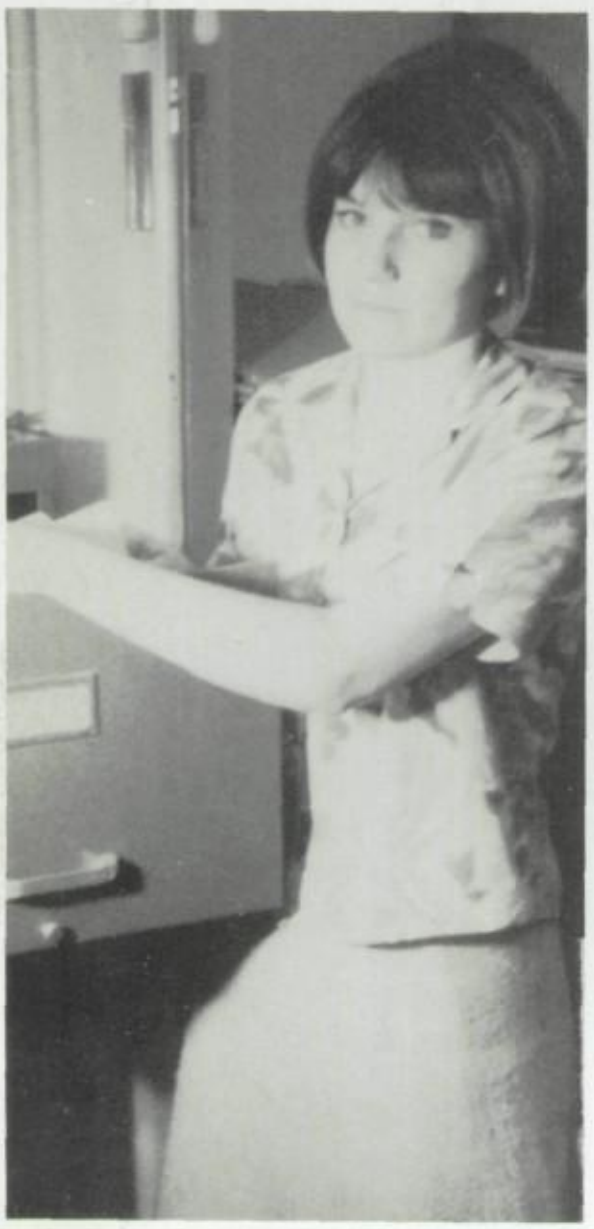
Dear Seniors:

With great reluctance I bid you farewell after two successful and rewarding years as your class sponsor. Your accomplishments have been many; your established traditions will live long.

My greatest desire would be to follow each of you to insure success as you discover the wonderful world of living, but this is a physical impossibility. Thank you for playing such an important role in my life; and even though I cannot be with each of you physically, I will always be with each of you spiritually.

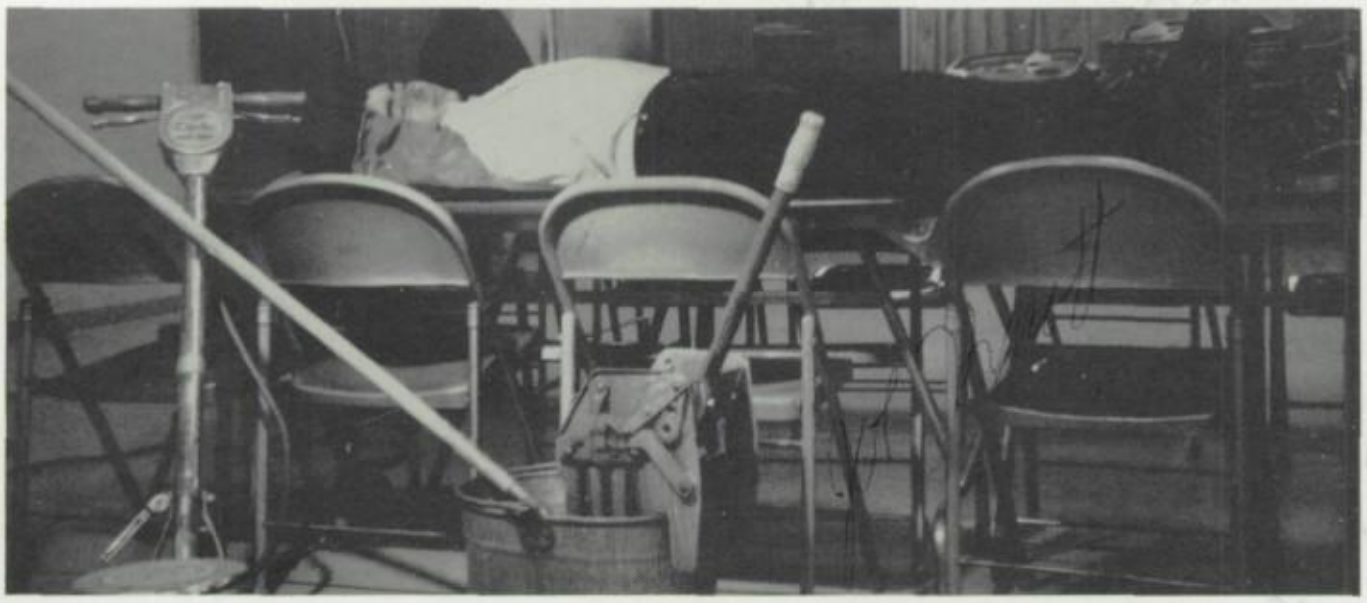
Sincerely,

Joseph A. Puccio



Maybe we all look casual and calm in these pictures, but it took a Conquistador photographer to get us to slow down enough to have our pictures taken. However, we were glad to relax for a moment. After swinging brooms, mops and electric scrubbers, and after trembling into telephones, and before grade school classes, we deserve the rest.

The arrival of the Neighborhood Youth Corps Program on our campus is a true help to many of us who didn't have transportation and who couldn't find after school work in our own B.P. Some people say that money is the root of all evil, but when nations don't use money, they use weapons. We're grateful for money, and for our government's understanding of the pressures today's world puts upon the high-school student of 1965.



To
a real
cool guy. It
has been a real
pleasure attending
school with you. Good
luck and best wishes
at whatever you attempt.

UNDERGRADS

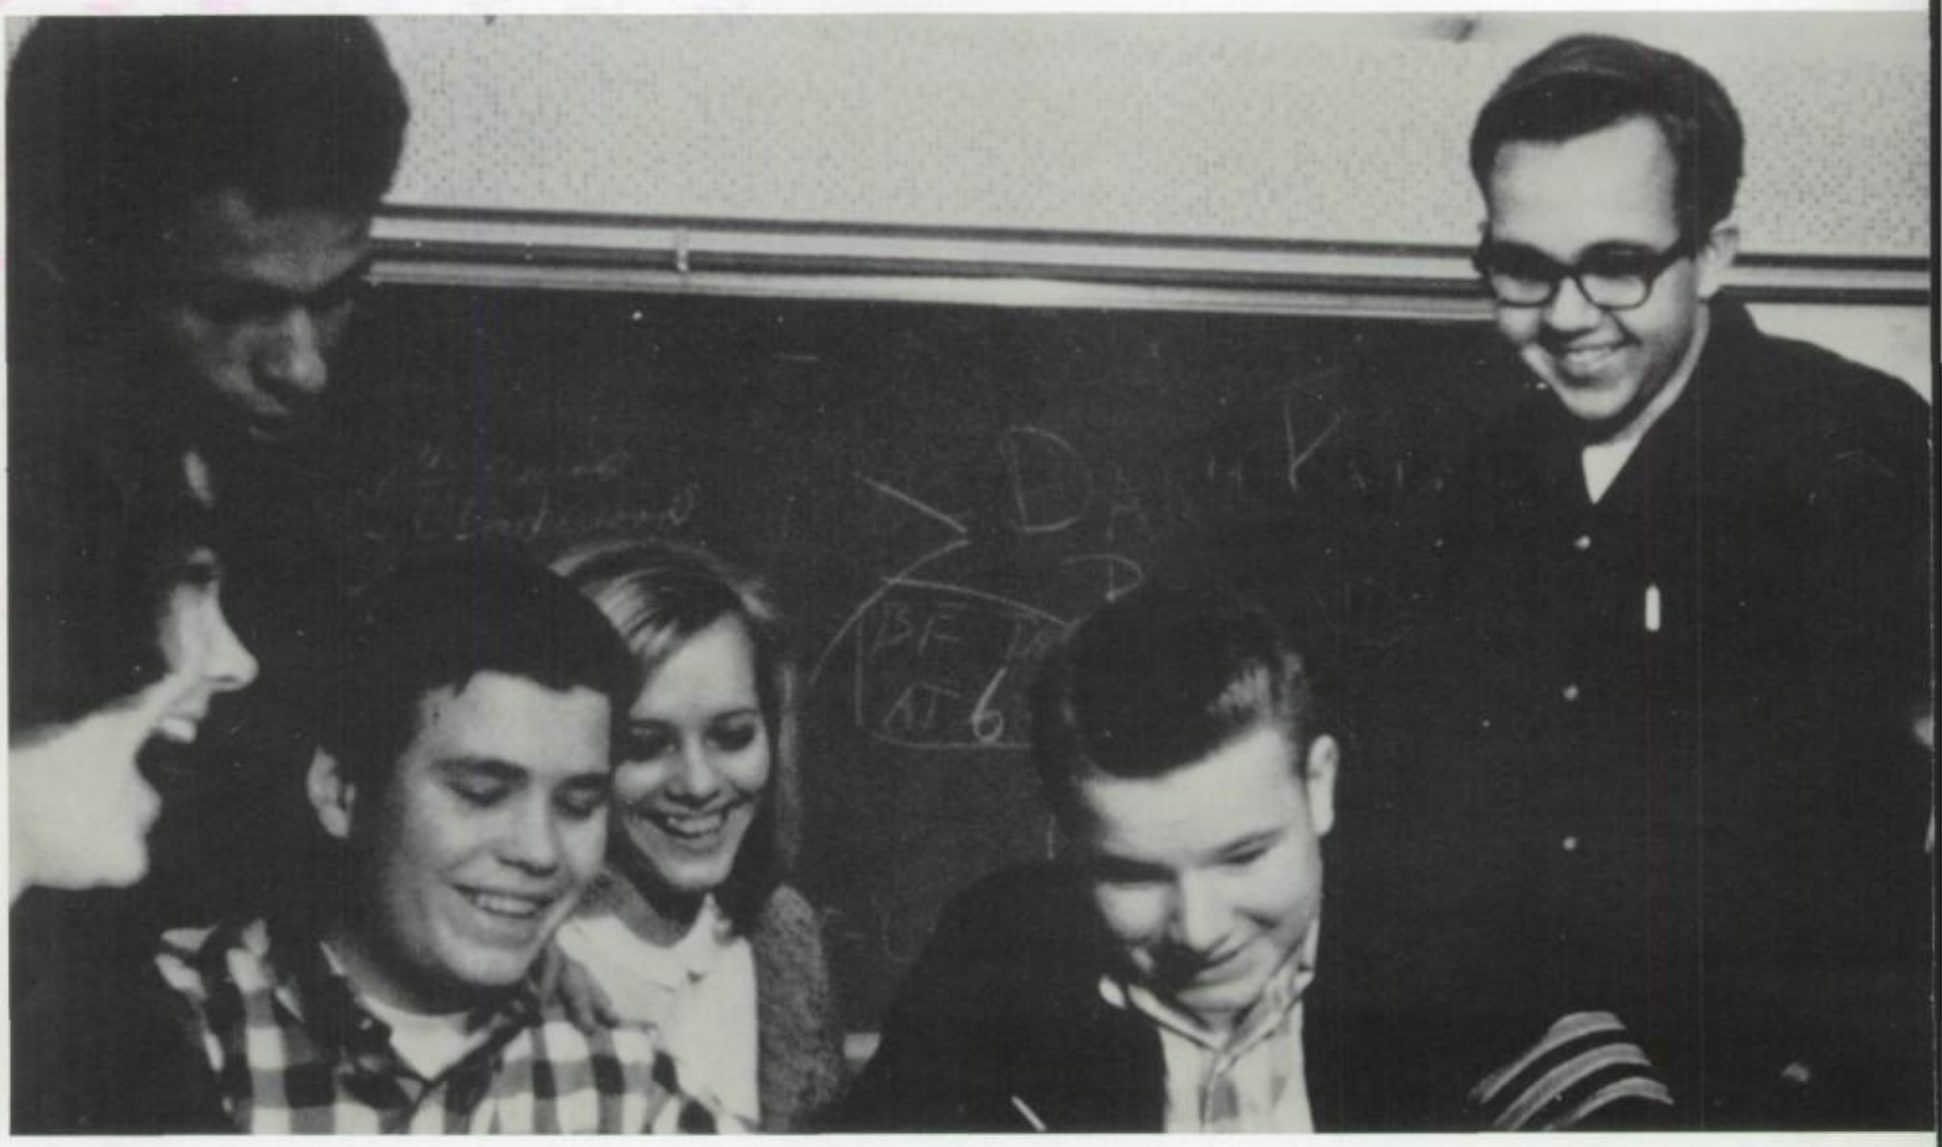
OUR UNDERCLASSMEN have inscribed their own traits into the Seal of Sierra Vista.

The freshmen have become accustomed to the realm of high school society; responsibilities must be fulfilled. Remember . . . the Howdy Dance, Big and Little Sister Program, estoy estas esta, lockers, homeroom, apples, apples, applesauce.

The Sophomores have developed pride and respect toward the spirited atmosphere of Sierra Vista by joining school organizations and participating in school activities . . . car washes, A square plus B square equals U square, bonjour, assemblies, cut cards, room 118.

The spirited zeal of the Juniors was challenged only by the Seniors. Can we ever forget Snowflakes and Starlite, college-prep. exams, class rings, Bloomington game, Semper fidelis, orchids in the ice box, Junior-Senior Prom, graduation?

OFFICERS OF



DISCUSSING PROM PLANS are Junior Class Homeroom Representatives Fran O'Conner, Gil Lopez, James Herbert, Norma Gullixson, John Vergot, Leon Sopicki, Eddie Montoya, and Nancy Tomlinson.

Richard,
So real sweet guy.

JUNIORS found the world-to-be their apple. Without the tasks which keep seniors jumping, the Juniors were free to join all the fun, and only occasionally observe the details of organizing. "Nobody rained on their parade . . . "; the world was their apple and they had their bite!

BELLS! BELL! BELLS!

NEXT YEAR'S SENIORS are set for the triumphs of the Dons. They became so inspired at the sight of this year's winnings that they melted their coin into one more great Junior contribution to Sierra Vista. They came up with an important Victory Bell. ONE of the many problems the Sophomores have to face when growing up are the boy-girl relationships. If they face this problem and work it out for themselves, they will enjoy all the exciting social events in their Junior and Senior year.

Go, Dons, Go,

THOUGH we won't be here to see you step into our senior shoes, we wish you well. We leave you the Spirit of Sierra Vista. Care for it. Give it what it needs from you. Make school life more fun each year at Sierra Vista. And when you publish a much thicker Conquistador in 1967 may you all be listed in the senior section with your name spelled correctly.

Marietta Minick

P.S. I was only on the staff for office experience. What an experience!

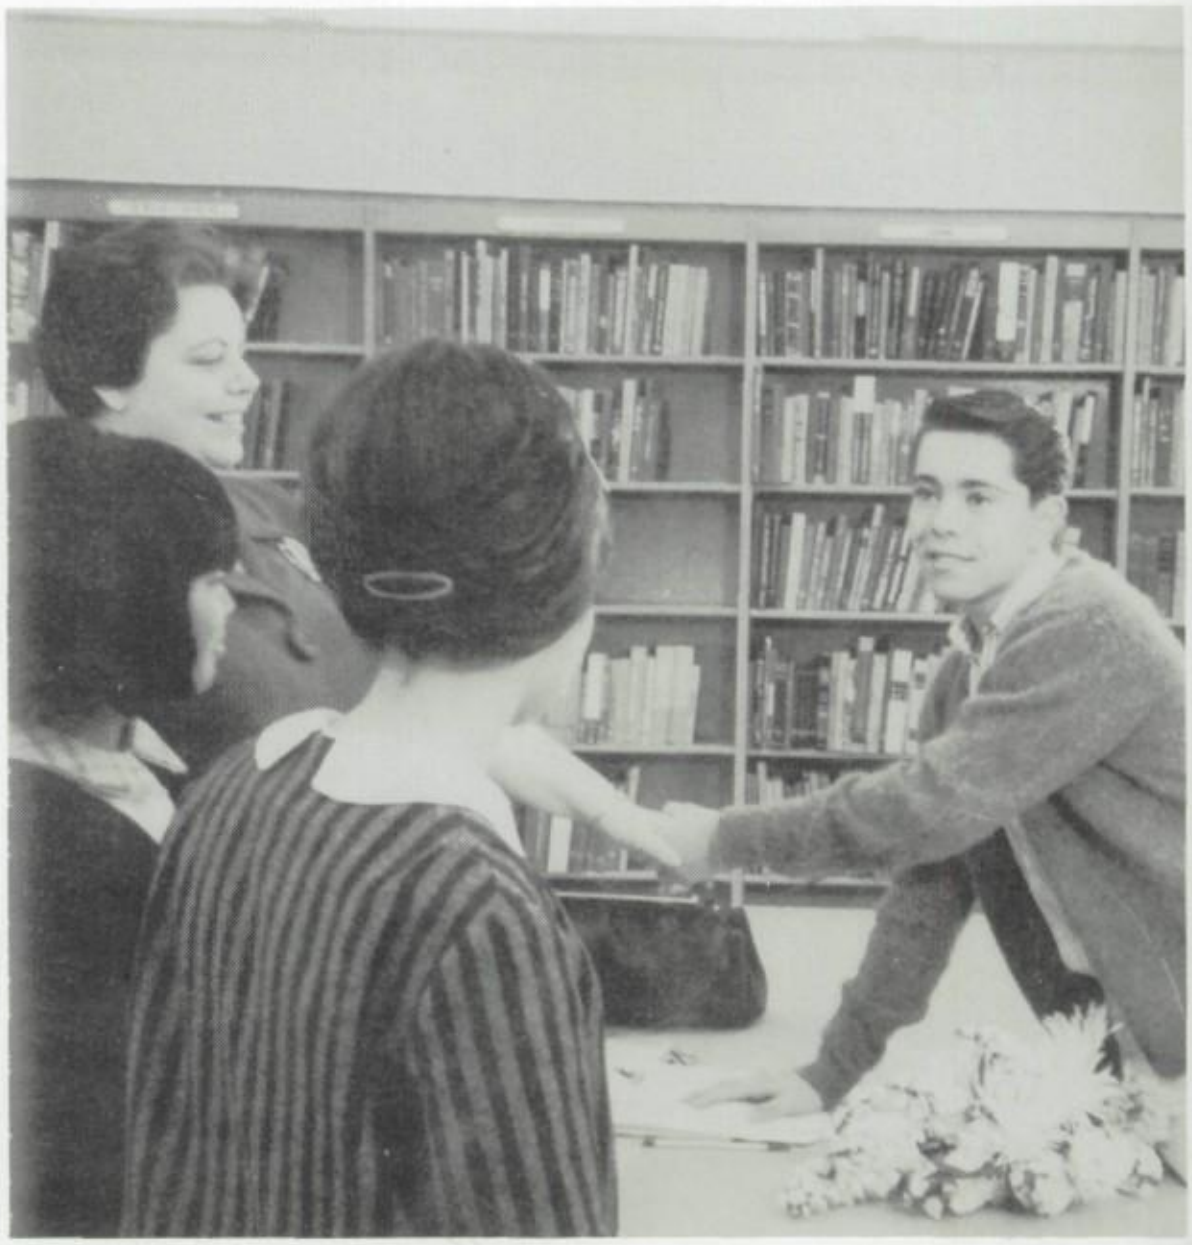
Freshmen Face Freedom

ADJUSTMENT TAKES PLACE in more than one room at Sierra Vista. Some Freshmen can take it and they remain to join the ranks of students who will face freedom with knowledge and skills. Other freshmen move out and face freedom long before they know how to really be "free." It was the very freedom of choice that comes in high school which let them send themselves away from their own crowd.

We salute those who are still with us and who will enjoy on our campus the freedom of being young in a young world.



FRESHMAN CLASS President, Jeff Serpa, talking with his fellow class officers: Lynn Highland, Vice President; Donna Makish, Sec.-Treas. and Sponsor, Mrs. Robinson.

Dear Frosh,

SENIOR YEAR seems far away as you read your name and see your picture, but remember you have gone one fourth of the road already. When the going gets tough, and the sophomore slump sets in, look how close the senior section is in this book.

Realize that years go by like pages in a book. Dream of yourself as a senior. Work while you're awake, and make your dreams come true.

ORGANIZATIONS

FROM SEPTEMBER TO SPRING, the sidewalks of S.V. throbbed beneath the feet of cheering campus citizens. They were being paced by the proud leaders of organizations fulfilling their role of spirit raisers.

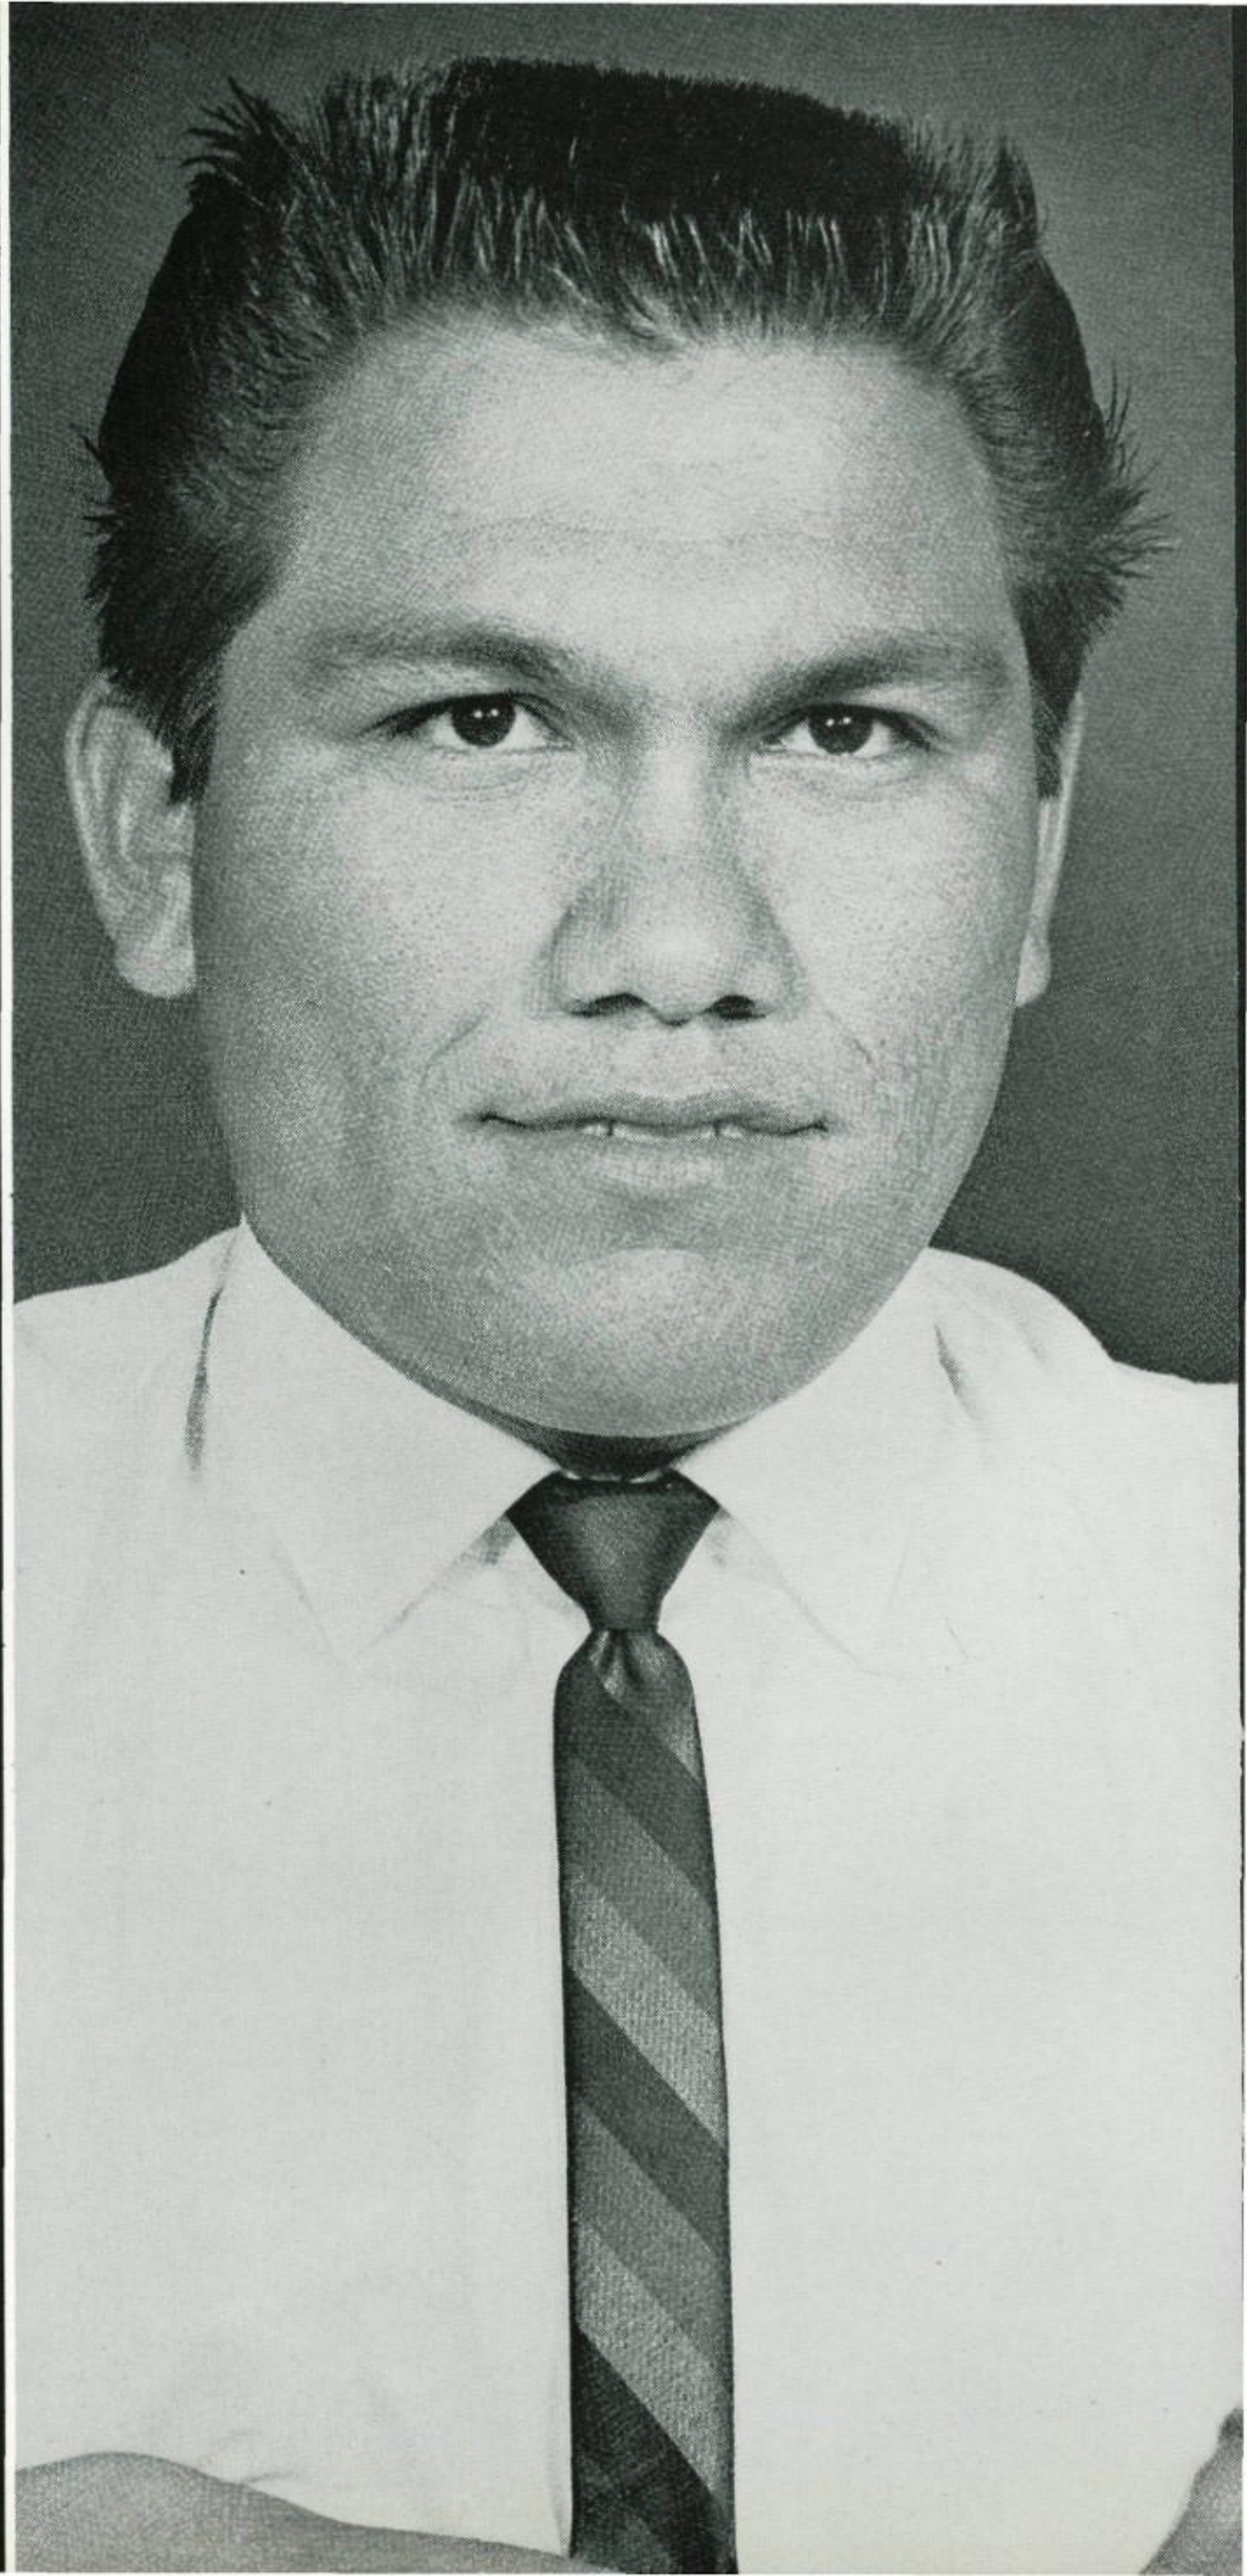
As the year sped through the seasons, the members of the organizations met, planned, printed posters, made P.A. announcements, sold tickets and welcomed every S.V.'er to wonderful events and memorable evenings.

We all march with the imprint of such spirit engraved on our memories.

ASB

THE FINAL YEAR has ended for the first graduating class of Sierra Vista High School, The Class of '65. My personal gratitude goes to all who have cooperated in our school activities. I wish the best to the class of '66 and to all who remain to carry on the spirit of Sierra Vista High School.

A.S.B. PRESIDENT



The Ability To Work Joyfully and To Live Positively.

ALWAYS STANDING BESIDE a cheerful campus is an intelligent and organized ASB COUNCIL. Sierra Vista had such a co-operative council this year.

President ABE RODRIGUEZ, patient and calm, Vice Pres., LINDA HARRER (above), vivacious and prudent, Secretary, DARLENE OSBORNE, and Finance Chairman LINDA OSBORNE, (right) poised and gentle, added up to a top notch cabinet. We all profited from their positive attitudes and their ability to work joyfully.

So Richard a real sweet guy. I hope you have the best of Luck in the future. Don't ever change because you are a real swell guy the way you are.

Love ya always
Linda Reyes

THREE LITTLE MAIDS from school is more than a ditty from Gilbert and Sullivan. It is a song of praise heard all around Sierra Vista. Our three praiseworthy pretties are Nina Wynkoop, Secretary of Pep; Stella Perez, Secretary of Activities; and Olive Vanselow, Secretary of Ways and Means. They have added, by their hours of endless administering and assisting, hours and dollars worth of fun to our year and our lives.

Student Court

THE DON'S COURT, the student body government of Sierra Vista, gives its members a chance to develop leadership and the spirit of cooperation.

MEMBERS: Ray Lunney, Lynda Baker, Vicky Ramoneda, Brad Campbell, Sandra Lunney, Gwen Bateman, Jane Griffith, Floyd Bennet, Eddy Baker, Leon Sopicki.

The rule: mutual respect.

FREEDOM does not mean license. " . . . and justice for all." Making certain that its students are ready, to face this American Right, Our Sierra Vista Student Court provides experience which is not always pleasant. Administering justice is not pleasant for the student judges, but as adults that task will often fall to them.

Judges, juries, and defendants agree, "the suspense and serving of time carries an unforgettable message to all."

Key Club

WORKING with President, Dave Woodside, and Vice President, Ed Montoya, this service organization deepened its imprint upon our campus and our community. Canned goods were gathered and distributed, Danny Thomas's March on Lukemia was undertaken, and Football Queen, Marietta Minick was presented and sponsored in royal style. There was enthusiasm and organization apparent in each activity the Key Club helped. Sponsor Mr. Haberlein and all of Sierra Vista were proud of the growth and sincerity of all 25 members.

Rick,
It's been nice
knowing you this
year. I hope &
you'll be
friends next year
too.

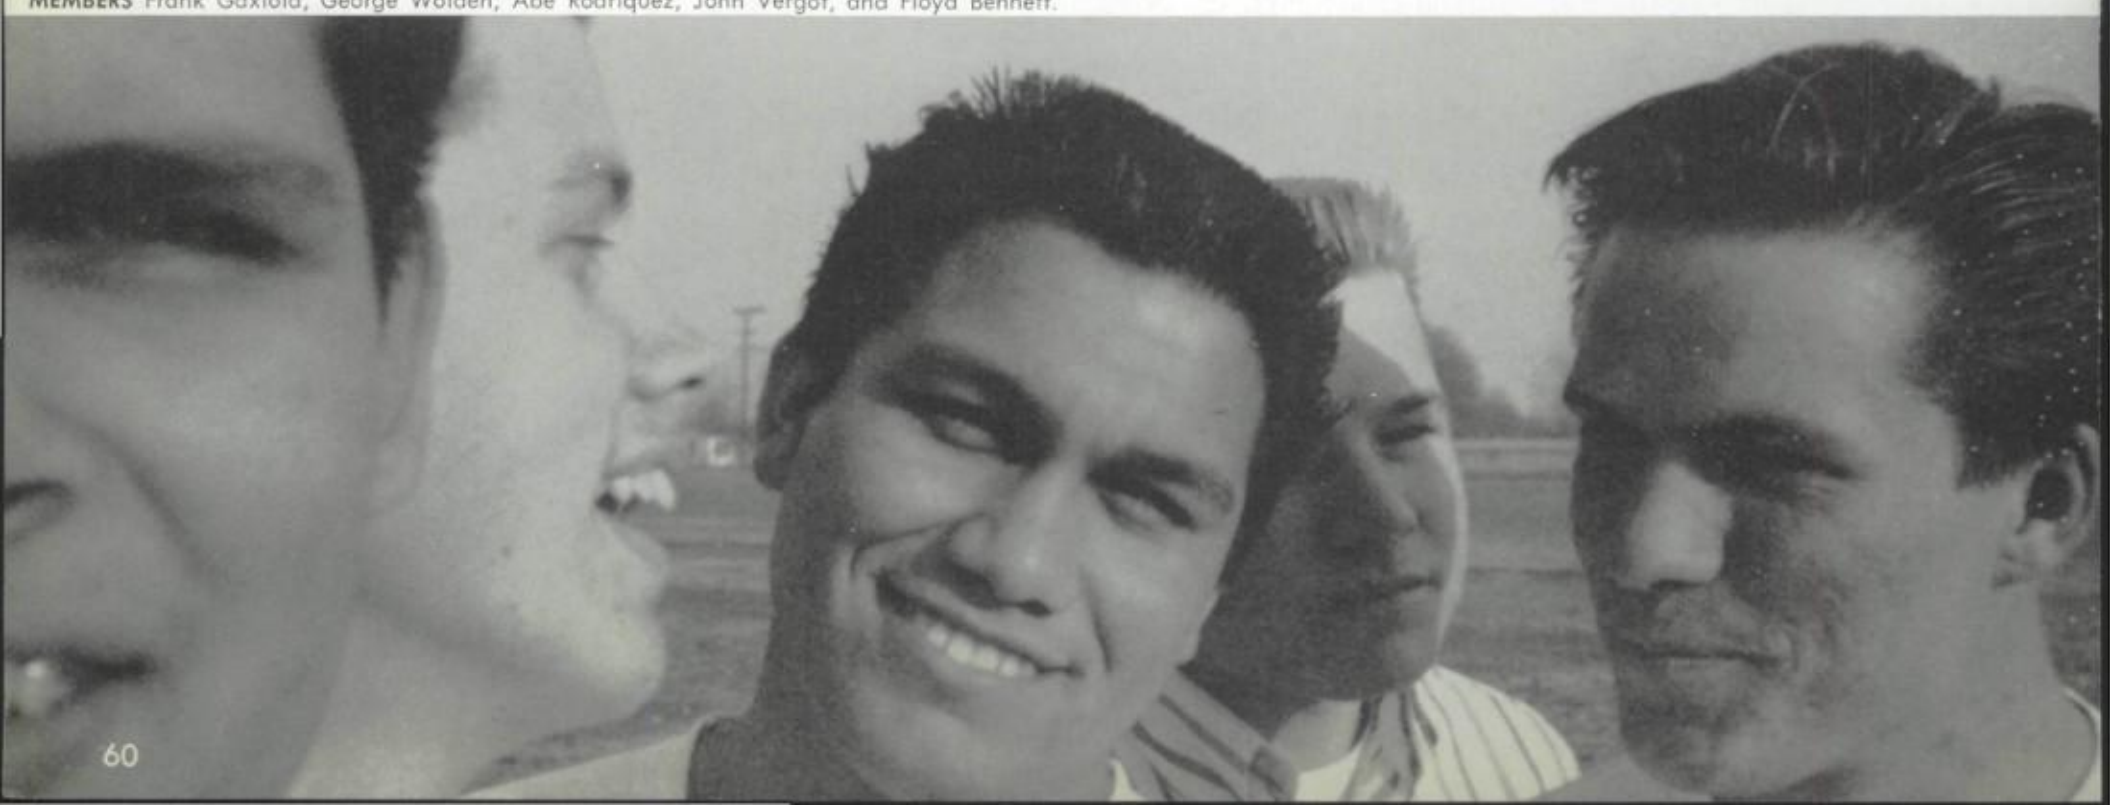
MEMBERS Frank Gaxiola, George Wolden, Abe Rodriquez, John Vergot, and Floyd Bennett.



Girl's League

ANNOUNCING "Girls League" was like telling our Alma Mater that she had matured enough to form a purely service organization, and maturity was the mark of our activities.

From a Senior Mother's Tea in the fall, on through the "Snow Flakes and Starlite" Christmas Dance, the enthusiasm for our organization increased. Spring found us busy aiding all clubs to salute and serve the class of '65.

"SHOPPING FOR A COLLEGE?" Join the C.S.F. This silent but active club exists to help Sierra Vista's College bound. Members spend time discussing and comparing courses offered on the campuses around and away. Several times a year they tour and get first hand impressions of nearby halls of ivy. President Bill Park sets a good example of the "Leisure Way" of choosing a career.

La Estrella

HAIL Sierra Vista's La Estrella! Typewriters clicked, camera's snapped, erasers rubbed, and head's rolled. That was the monthly formulas for our Journalistic crew. No one and nothing was spared to sign our paper with the spirit and class of Sierra Vista. Managing Editor, MARIETTA MINICK guided the style of our scandal sheet, while Editors KATHIE PEYTON, KRIS MASTEN and JOHN TAYLOR drove everyone to fill the columns in GREG QUINTANILLA layouts. BRAD CAMPBELL sold ads by the hundreds of dollars. STELLA PEREZ and JUDY FOX got deliveries out, and kept track of profits. The paper broke even, thanks to business man, DANA KNOTT.

Science Club

Social Yet Studious

TO SPEND AN HOUR now and then discussing some subject which may change the course of the world, Sierra Vista's Science Club members gathered amidst the gruesome. Now and then, they came away from the macabre to plan a sock hop, sponsor girl's hush day, clean autos, and inflate balloons for the football queen's caravan. The club always concocted a spirit of co-operation. In spring they sponsor SIERRA VISTA'S SCIENCE FAIR.

The World Is Our Stage

Cloak and Dagger Drama Club

THE THRILL of theater continues to course through Sierra Vista's Campus. New spirit, added by announcement of class plays, made more and more of us swell the ranks of show people. On these pages, only the members of the CLOAK AND DAGGER CLUB are shown. It was this group that has yearly helped us grow in the appreciation of this art.

Homemaking

WITH GRADUATION SO CLOSE it was natural that our senior girls would be thinking of cooking and baking because they know the old adage, "The quickest way to a man's heart, etc." So, with determination they accomplished the mission of giving Sierra Vista a Senior Homemaking Club. As soon as news was out they served a PTA meeting, and the LA County Music Conference.

At Christmas they held a formal dance and party. To make certain each member could afford the expense of taking a boy they held a sale of Christmas Formals at special prices. This caring for each other's needs proves that this organization truly has future homemakers.

Conquistador '65

WORDS AND WITTICISMS were squeezed from our copy writers, and money was squeezed from our student body, (you, dear reader), by Finance Director Gail Fernald, and her henchmen, Lloyd Littlefield and Carl Guest. When they failed to provide money enough for film and glue, Advertising Editors, Dave Owens and John Duckworth, toured the valley raising funds so that the camera crew, Robert and Terry Prescott and Andrew Gullixson could capture for us the fun of this special year at Sierra Vista. It is here, now, signed and sealed by your staff.

GAA

"GOING PLACES" was the slogan of Sierra Vista's G.A.A. We lived up to it. The big District Buses rolled on and off campus regularly as they took us challengers on Play Days throughout the valley.

CHEERING WAS EASY at Sierra Vista this year. It was the biggest year for the Dons and the turn out for Pep Club reflected this happy fact. The bright and breezy members of this club came early to football games and wrapped the goal posts, they sold the programs, and they cheered and cheered and cheered. Their spirit around that fifty yard line let our Dons know they had fans all the way.

Our Pepsters

"OKAY DONS, let's really show our spirit," yelled Linda Harrer, head cheerleader, into the mike as she primed the cheering section for the next familiar yell. "WE'RE THE CHAMPS . . . " the crowd shouted enthusiastically, led by SV's six vibrant and vital Varsity Cheerleaders — Nina Wynkoop, Darlene Osborne, Joe Soto, Marietta Minick, Ginny Taylor, and Linda Harrer, head.

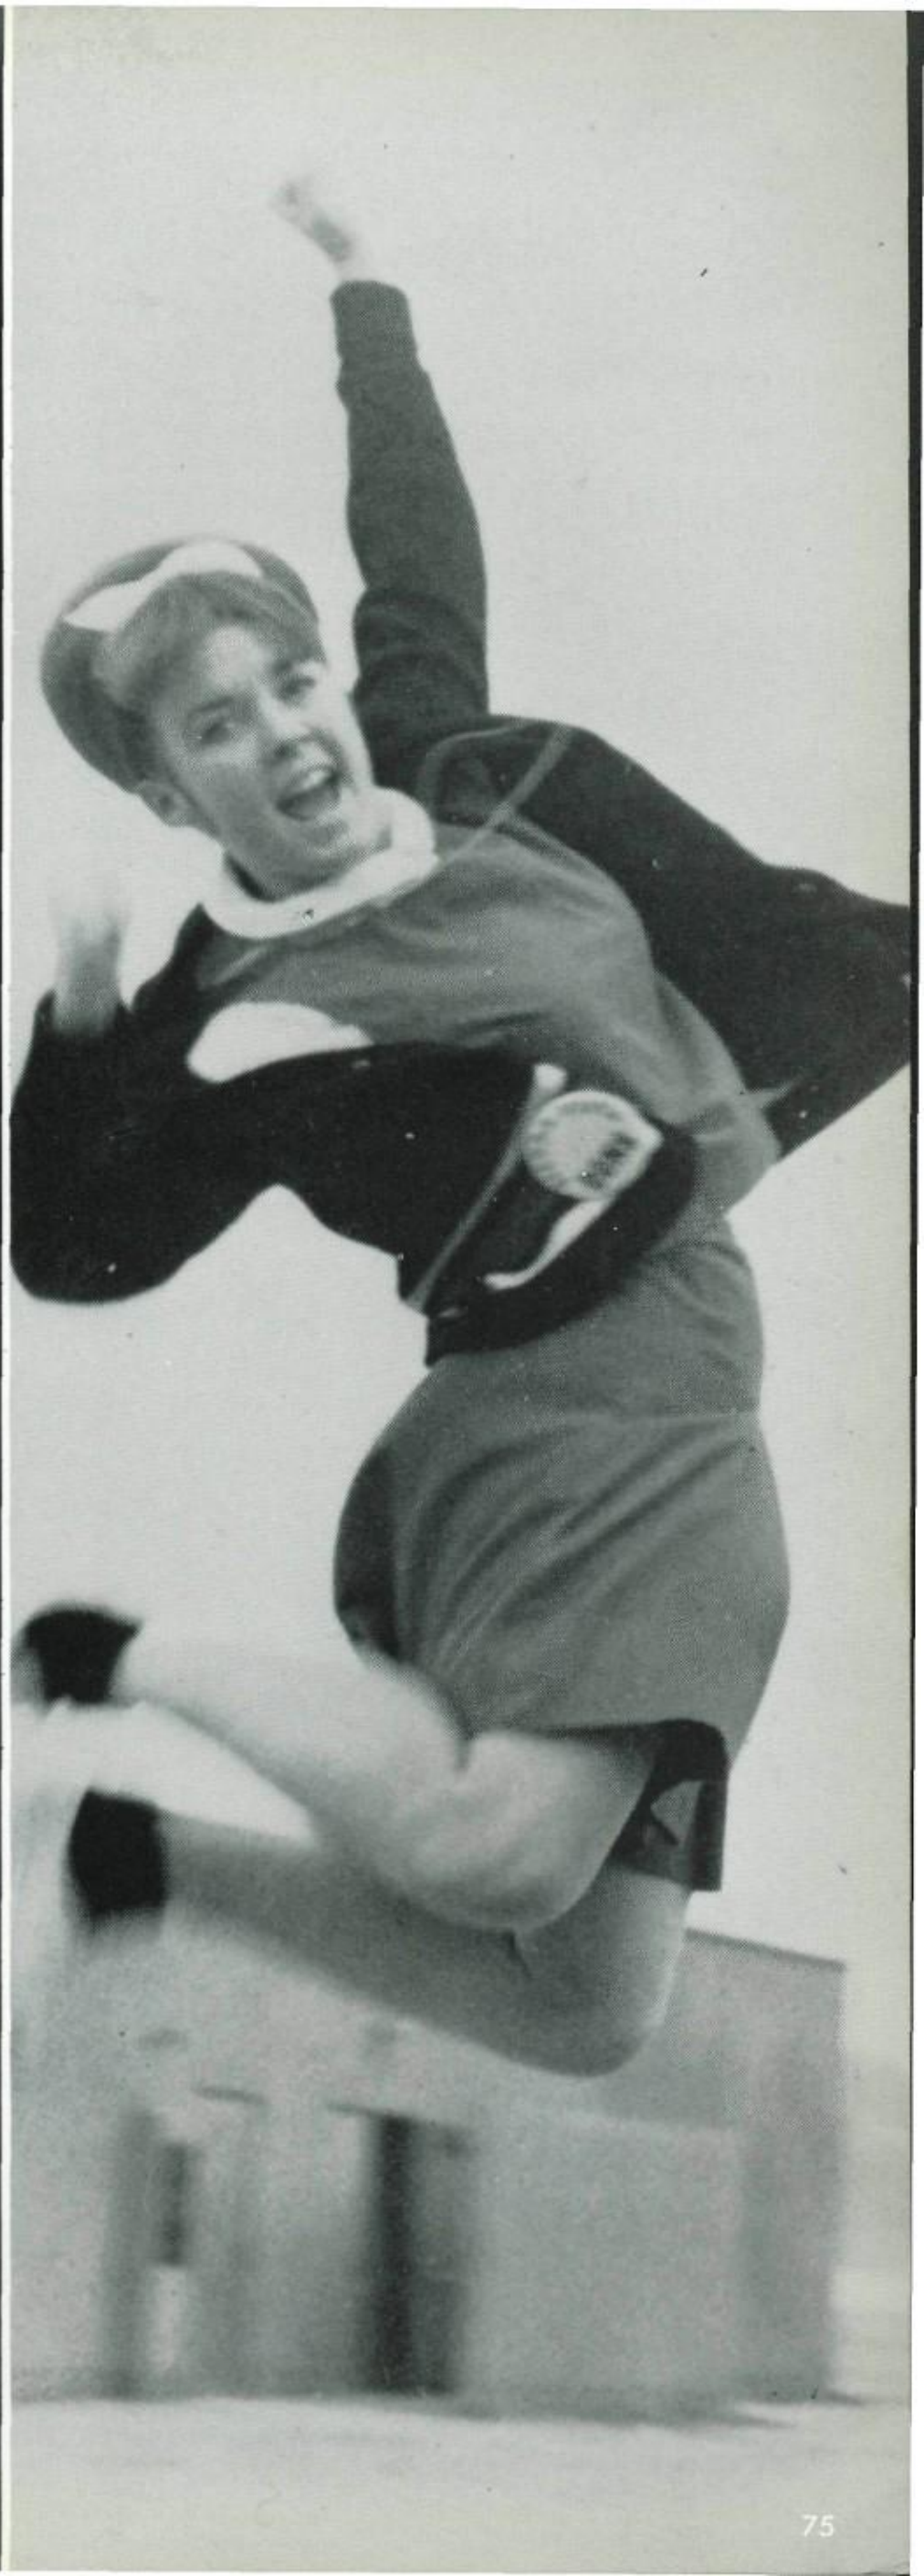
The Student Body of Sierra Vista reacted ecstatically to the sharp, precision approach of our PEPSTERS, showing us they learned their lessons well at the National Cheerleaders School on the campus of the University of Redlands during the summer. They won four ribbons, three Third places and one Honorable Mention, in cheer competition at Camp, and their tumbling techniques showed what they can do in creating a moving pattern of cheerleading.

The role of our first YELLEADER, Joe Soto, cannot be overlooked. His willingness, ability, and support made all the different types of pyramid formations possible.

Along with a very spirited year here at S.V.H.S., the Varsity Pepsters sponsored a smashing SPIRIT WEEK, held their first Pep Pot Luck Dinner, played host at the 3rd annual Inland League Pepster Luncheon, and attended the National Cheerleaders Association and the American Cheerleaders Association Cheerleading clinics.

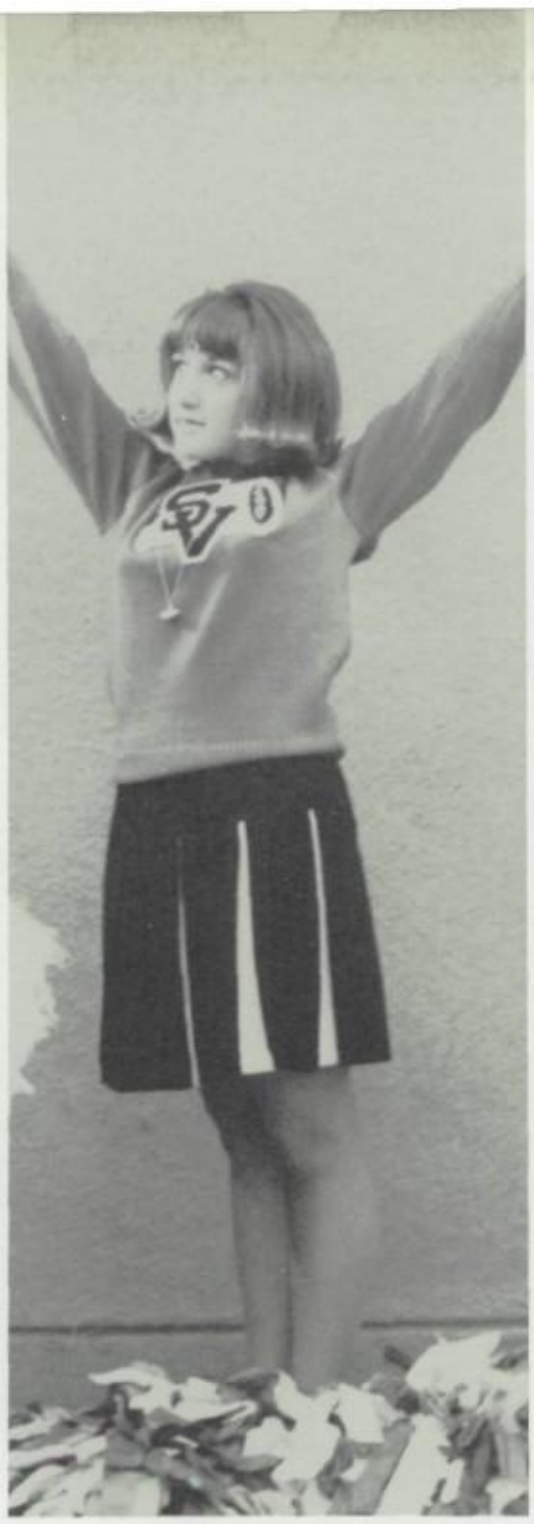
Their motto is "Keep 'Em Cheerin' " and they did just that by radiating spirit and enthusiasm at all the rallies, assemblies, and athletic contests!

Linda Harrer



CHEERLEADERS pyramid enthusiastic efforts into a pattern evoking awe, admiration and applause.

WE'RE AS ELATED over our first yelleader, Joe Soto, as Joe is!



JANICE

KATHY

MEET OUR CAMPUS CUTUPS. They're three of the bounciest, most boisterous kids at Sierra Vista. Ever peppy and fun to be around, these are our Bee Cheerleaders—Kathy Sullivan, head, Jolene Wolff, and Janice Santillo.

Having had no idea about what to do or how to cheer, the Bee's really learned a lot from ACA Cheerleading Camp during the summer.

They sparked with spirit and aroused pride at all the Bee games this year.

Bees

Songleaders

JOINING the Cheerleaders in fostering spirit are the vivacious Songleaders who led songs at pep assemblies, rallies, and football and basketball games. Melinda Denison, head songleader, with Olive Vanselow, Esther Brown, and Barbara Easton made their song routines and formations completely different from their old ones.

Our lively Songleaders "stirred-up" active student interest with the fight song and flashed their white pom poms to the time of such school songs as "Hurrah For SV" and "Cheers, Cheers for S.V.H.S."

In hush moments following each game, they gracefully led us, winners or losers, through the words that told why each of us was there . . . "DONS TO YOU WE HAIL!"

ACTIVITIES

SENIOR, Junior, Sophomore, Freshman, no matter what class we were in at Sierra Vista this year, there was an activity perfect for us. Not ready for dancing yet? There were games in need of your cheering. Not ready to be a queen? There was royalty being created before your eyes. Look and learn. Want to yell? The pep assemblies were therapeutic. Care to and able to dance? If you had the socks to spare the gym floor was waxed and waiting. Color days, Pep Points, College Tours, Cheer Week, T.V. Trips, mad, mad, mad, mad moments were all around. Like balloons our spirit went up, up, up . . . This is the sign of every S.B. Activity!

JUNIOR HELLO BREAKFAST

THE CHOW kept coming.

TRIPPING head over heels to please customers.

PANCAKES OOZING WITH BUTTER and floating in syrup were the bait used by Juniors to lead early risers to breakfast at Morgan Park, in the early morning of September 26th.

Junior hosts and hostesses seemed to enjoy trying to outdo each other in "flipping". It was a hard toss up as to the winners, but everyone received a hardy HELLO.

Velvet All The Way

AMID ASCENDING BALLOONS and rose-colored torches on November 20, Sierra Vista's student body choice for Football Queen, Marietta Minick, was royally proclaimed, crowned, and saluted.

The Football Court, consisting of Princesses Judy, Dawn, Nancy, and Sharen, and Escorts Bob, Dicky, George, and David, was presented to the enthusiastic Don and Bruin fans during halftime. After parading around the gridiron in chauffeur driven convertibles, each couple proceeded to the decorated platform festooned with colored balloons in the center of the field.

Later, in lavish surroundings, Queen Marietta was presented with the red velvet robe which is the symbol of her role as Queen of the Football Dons.

Then to the tender strains of the theme from A Summer Place, the Queen and her Escort, along with the other royal couples, danced and set the mood for the remainder of this eventful evening which was appropriately titled "Velvet All The Way"

MOCK ELECTION

LEON speaks to the masses.

LEON SOPICKI AND JOHN TAYLOR meet with U.S. senator George Murphy.

THE COLOR AND EXCITEMENT of professional political campaigning exploded as posters, banners, parades and noise announced the beginning of Sierra Vista's Mock Presidential Election. From its inception November 26, the powerfully planned program of election year never abated until Iona after the 480 registered campus citizens cast their vote to the candidate they considered best for the job.

Johnson, represented by senior John Taylor, and Goldwater, by junior Leon Sopicki, had their platforms well represented. Speeches were sent to homerooms over the inter-com and in an exciting election assembly.

Results of the voting revealed that Johnson was Sierra Vista's choice for President by a landslide.

MIX, POUR, SHOVEL, PAINT, PLANTS . . . on and on went the work on the Senior Quad. After funds were raised there still remained the job of building the Quad. The Seniors toiled on until finally before 2nd semester the Quad was finished! Mr. Puccio could stop his slave training and give them a long needed release to their own special quarters.

Snowflakes and Starlite

SNOWFLAKES AND STAR-LITE set the mood for the eve of December 19th.

In a mist of blue, the couples drifted to the soft music provided by the Satans Four.

A canopy of crepe paper with a mirrored sphere hanging from the center transformed the gym into a world of glamour for the formally dressed couples.

Highlighting the event-ful evening was the crown-ing of our Christmas Queen by the former Queen Darlene Osborne. The newly crowned Queen Yvonne Martinez and her Escort Augie Lopez then danced to the tune of the "Christmas Song," joined in by the Christmas Court.

Couples drifted out one by one until midnight . . . the gym was empty and stood silent.

SIERRA VISTA THESPIANS invaded Baldwin Park's elementary schools December 11-12 with "Red Shoes".

Overcome by the power of the magic red shoes, the victims in the play were forced to dance continuously by Snogg, the villain.

So exciting was the climax of the Hans Christian Anderson based play that many children forgot it was only a fairy tale, and hastened to aid the capture of Snogg by trapping him in the aisle.

The theatrical group was amazed but pleased at this display of emotion and hopes to bring the same magic to other elementary schools in the district.

OUR SUCCESS as graduates and students at Sierra Vista must give credit to those working with us along the way.

It is the good communication between us all at Sierra Vista that is as much a part of learning as is the academic study. Our teachers do much more than just teach the subject matter. They take a real interest in our growing ability to develop values, develop skills and eventually to take our proper role in society.

The administrators and teachers have welded us into a united student body with a definite character that is, and will always be, the mark of Sierra Vista students and graduates.

SINCE MR. NECHAK came to Sierra Vista two years ago, he has become a vital part of our campus life. He has attended our ball games, dances, and special events. Always there when we need him, Mr. Nechak gives us good advice and guidance.

He isn't merely an administrator, he's a respected friend of the Dons who know him. He has a serious working attitude, but happily it is always blended with humor and good will.

He shows a genuine love for Sierra Vista and that's why Sierra Vista so genuinely loves him. He has served as a symbol to the spirit of Sierra Vista.

WE'RE PROUD of our athletes—of our football and basketball players, our track and field men, our wrestling, and our gymnastic teams. They're mighty players with spirit and talent. They plan to win, but accept a loss like true sportsmen. We hope our athletes will go on to be successful at colleges throughout the state.

Though Sierra Vista is a young school our reputation is growing every year. Our athletes will leave their marks on the Annals of Sierra Vista's History.

SV DONS ROLL TO BEST SEASON EVER

SPARKED by a great defense and a strong offense, Sierra Vista, in its first season as a four year high school, nearly took the highest prize, that of the league championship.

It was an uphill fight throughout the season, but the Dons overcame the tremendous opposition to rank second in league action.

Losing only to Bloomington, in one of the most memorable games of this, or any other season, the key to the success of the Dons was their great spirit and ability to function as a team. They rose above mediocrity to become a truly dynamic team that will inspire future Sierra Vista squads for seasons to come.

BEES BUILD FOR FUTURE

THE FUTURE OF S.V. POWER on the gridiron lies in the capable hands of this past year's Bee Team. Combining a blitzing aerial attack with a steady defense, the Bee's had many bright spots in this year's squad. With the key factor being their pinpoint passing and fine receiving, the Bee's electrified many opponents with their swift attacks leaving an impression that Sierra Vista fans will be in for more of the same next season.

COACH KETTLE gives Martinez—33, and Ketcherside—80, instructions during tight game.

Among many of the individual players there is a bright spark of prowess which will develop into the brilliant talents who will inherit the title "Varsity" in the years to come.

MEET THE Cross Country Team: David Kerkoff, Ernie Martinkovich, Steve Smelser, Vern Pruitt, Bill Sumners.

STAMINA AND COURAGE MARK CROSS COUNTRY MEN

UNDER THE inspirational coaching of Mr. Ted Smorodin, the cross country team strove to attain the peak stamina required for the grueling 2 mile course that is cross country. With the key to this sport being team depth, our distance men suffered repeated losses. Runners Lopez, Sumner and Soto placed high-up in race after race only to taste the bitterness of defeat because of lack of team depth. Hopes of a brighter future lie in the maturing of some of our outstanding young distance runners.

SPRINTING home for a victory against Bishop Amat are S.V.'s Augie Lopez and Javier Soto.

COACH SMORODIN discusses pre-race plans with Sumner.

MEET THE DONS: Ed Montoya 24, Dave Carpenter 34, Ignacio Prez 44, Lloyd Littlefied 14, Dennis Gingrich 32, Mark Clark 12, Chas. Russell 40, Rick Morton 10, Chuck Thomason 20.

S.V. CAGERS PLAY ACTION PACKED SEASON

LOSING ALL LEAGUE forward John Taylor due to an injury at the beginning of the season severely handicapped our Dons in their quest for a winning season. However, they played an exciting brand of basketball, using a Run-and-Gun offense and a hustling ball-hawking defense. They made every contest a close one with the highlight of the season coming when our Dons upset C.I.F. runner-up South Hills 47 to 35.

COACH WYRE plots halftime strategy with Mark Clark and Eliseo Garcia.

BEE'S GAIN VALUABLE EXPERIENCE

CONTENDING against tough competition throughout the year, the Bee's showed forth the hustle that marks a determined and dedicated team. More important than the final scores were the traits that were developed and strengthened during the season. The Bee's played a swift, powerful brand of basketball that saw them produce outstanding individual play.

MEET THE Cee's:

CEE'S INDIVIDUAL EFFORTS NOT ENOUGH

IT WAS A LONG, tough season for our Cee's this year. The Cee's started out with a fine chance to cop the championship, but key injuries and a few let-downs ruined their dream. However, throughout the season our Cee's never let down as they constantly played the role of spoiler's giving opposing teams fits with their determined class of play.

DRIVING between Alta Loma defenders, Dave Guerrero goes up for two points.

CAPTAINS Dave Guerrero and Ron Lee receive some pointers from Coach Lujan.

S.V. WRESTLERS GRAB LEAGUE RECOGNITION

ALTHOUGH MANY disappointments sought out the team during the past season, the Dons surprised many experts by placing numerous wrestlers in the League Finals. The future looks bright in this two-year-old sport. Combining last season's standouts with new talent should produce an outstanding team. Men like Flaco, Patella and Campbell should continue to represent Sierra Vista in the best possible way.

COACH GOSSET works with Captains Flaco and Patella before league finals.

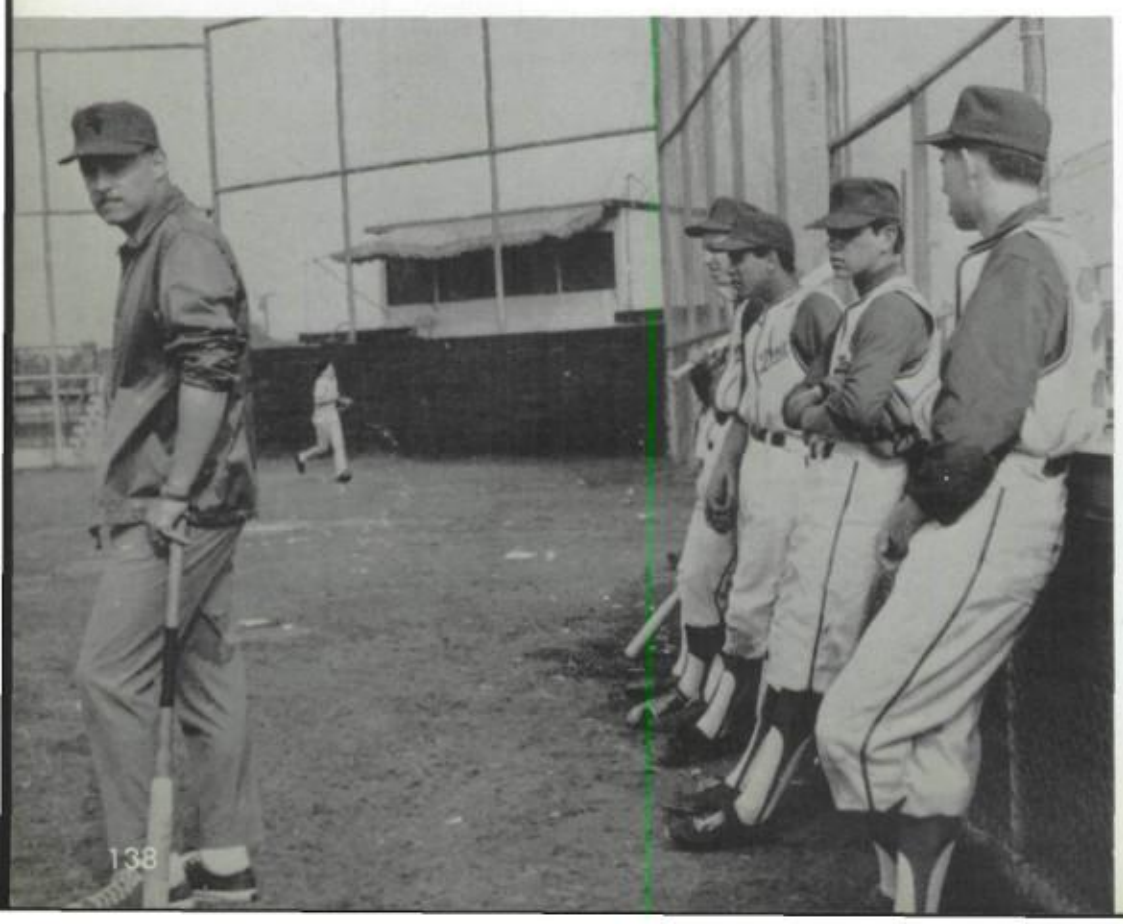
MEET THE Varsity Baseball Team: Top Row: Coach Kettle, George Wolden, Ignacio Perez, Pat McGee, Paul Sullivan, Rick Moton, Ed Montoya. Front Row: Jerry Miller, Lee Gess, John Vergot, Tom Salinas, Bob Carlson, Dan Hess, Eugene McClain.

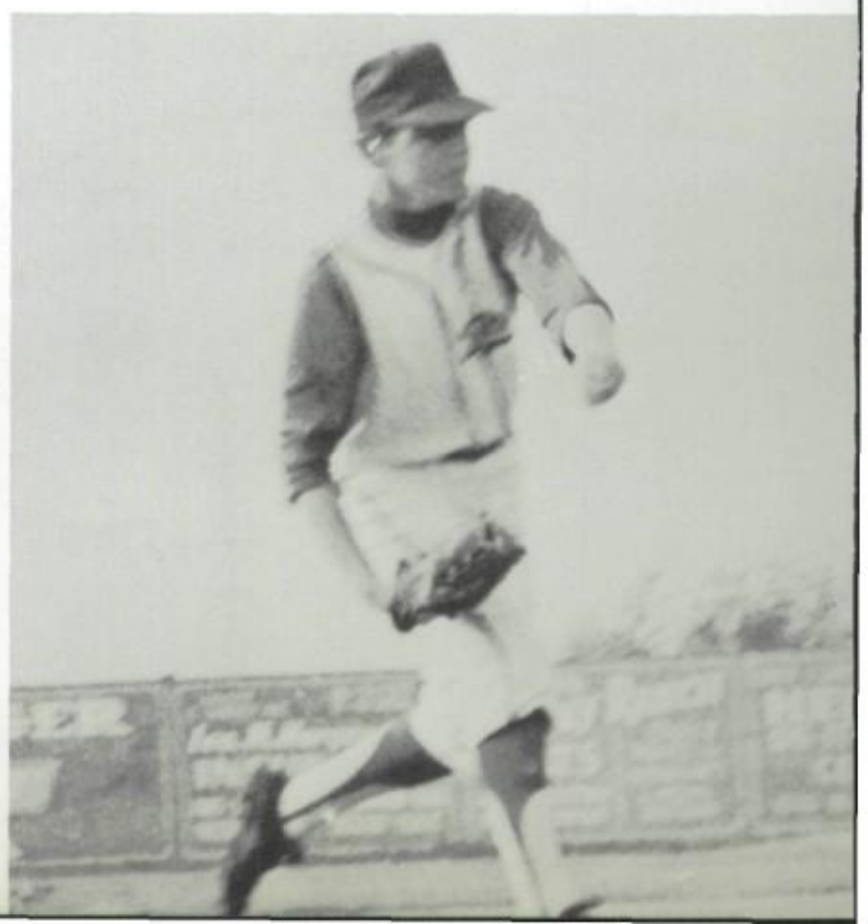
VARSITY SETS SIGHTS ON LEAGUE CROWN

THE CHANCES for Sierra Vista's first baseball title is now almost a reality. Before the Yearbook went to press our Varsity squad had already administered defeats to such powerhouse's as Rowland, Charter Oak, and Alta Loma. With the great pitching of Gess, Wolden, and McClain, and the long ball talents of such swatters as Russell, Moton, and McGee our Dons have a fine chance to bring home the much sought after title, Inland League Champs.

COACH KETTLE with his squad as they get ready to take the field in a crucial game against Bloomington.



GESS THROWS pitch on way to a two-hit shutout over Charter Oak.

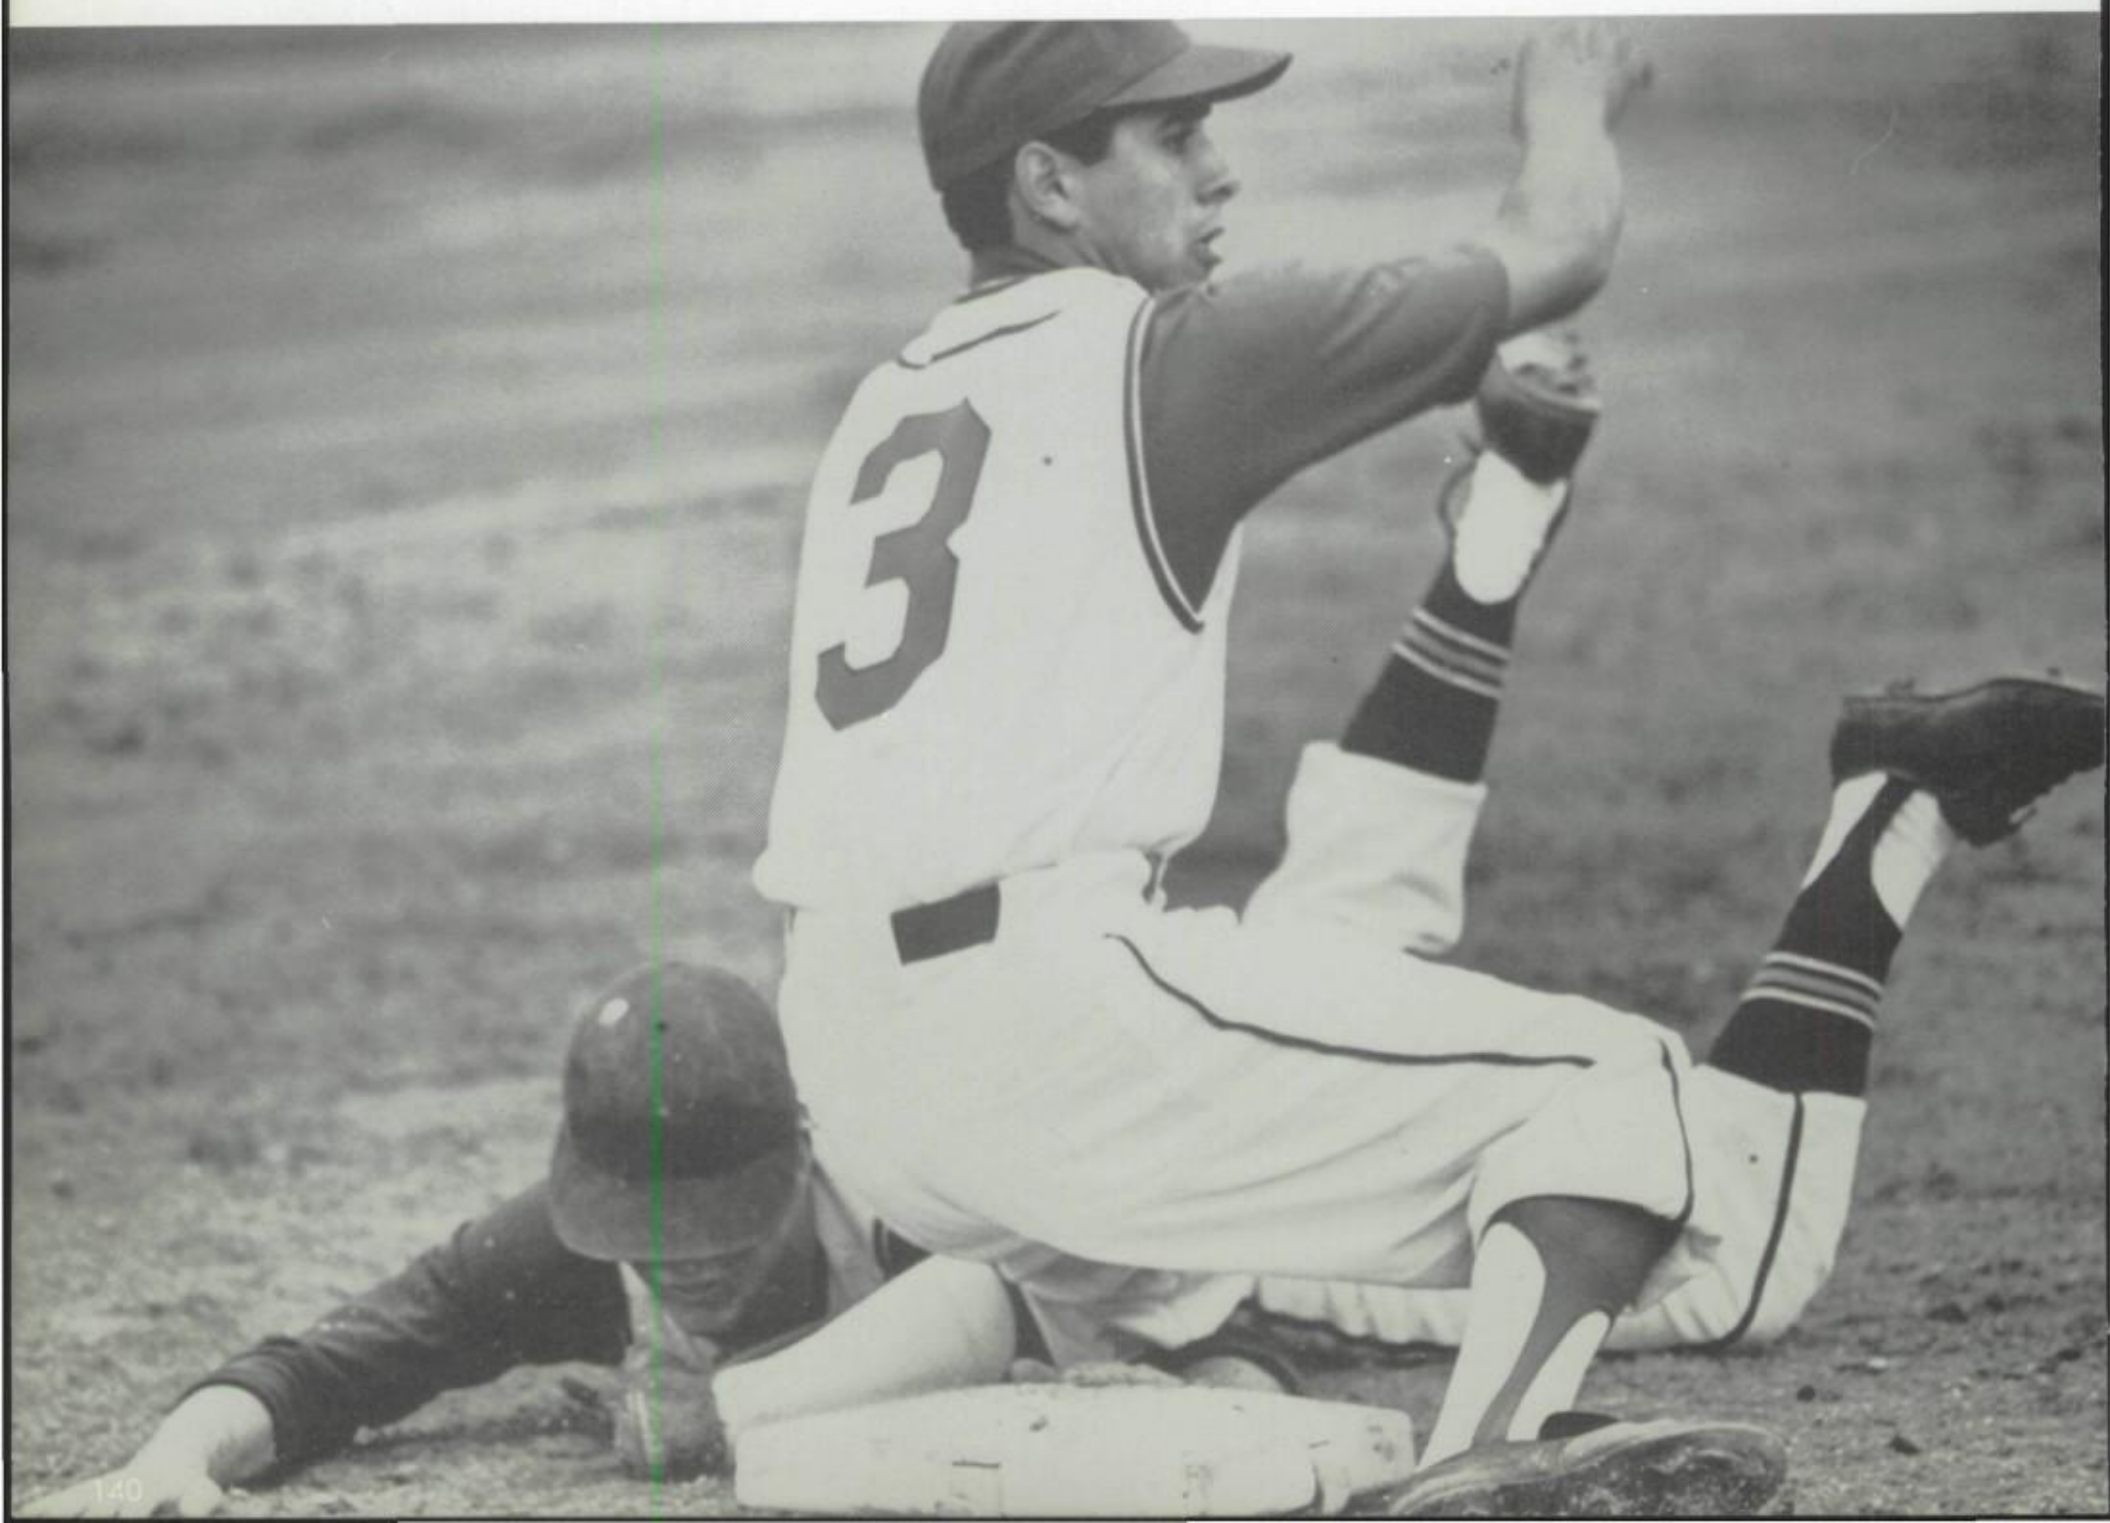


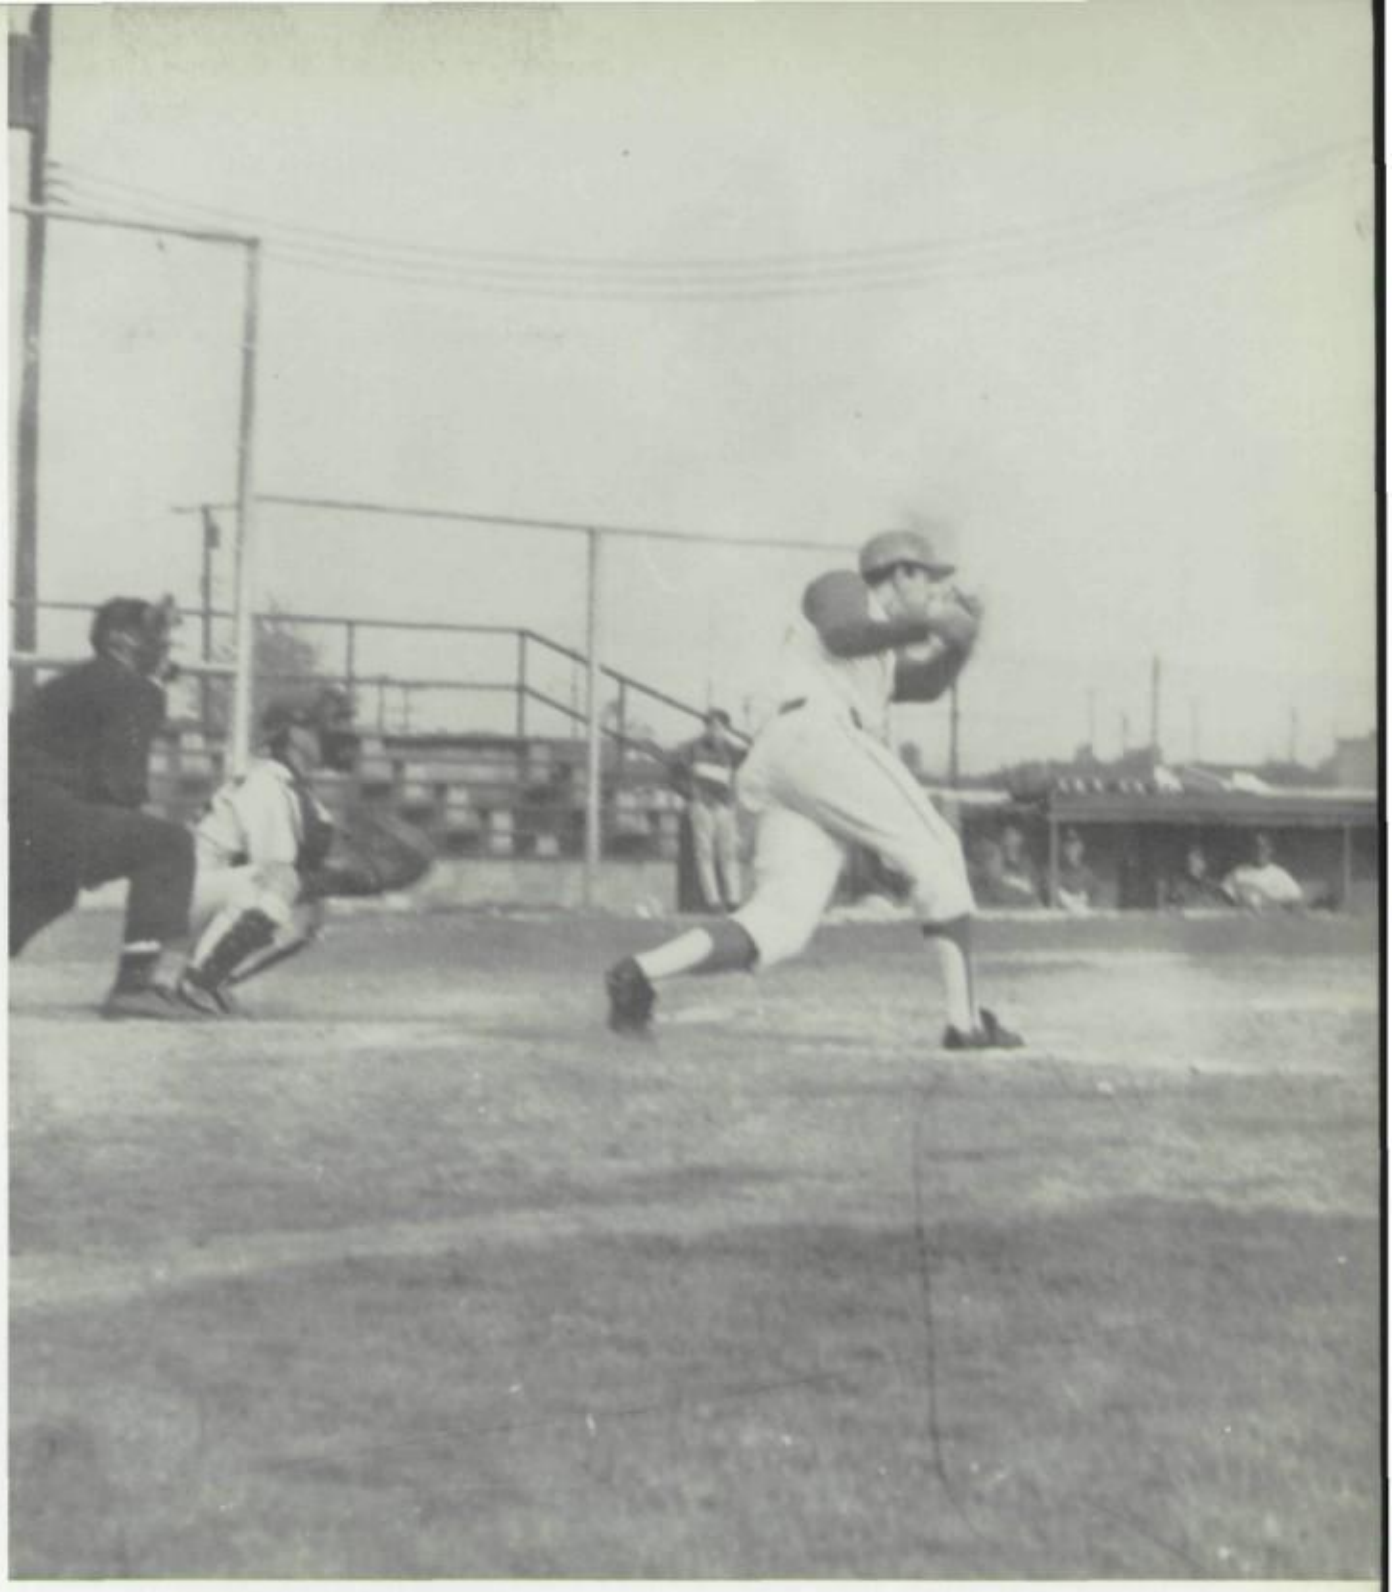
MONTOYA takes-off around first following Russell's triple down the right-field line.

McGEE HITS a double to the opposite field in game at Consolidated Park.

S.V. Don, Rick Moton, hits shot against the wall to drive in runner on 3rd.

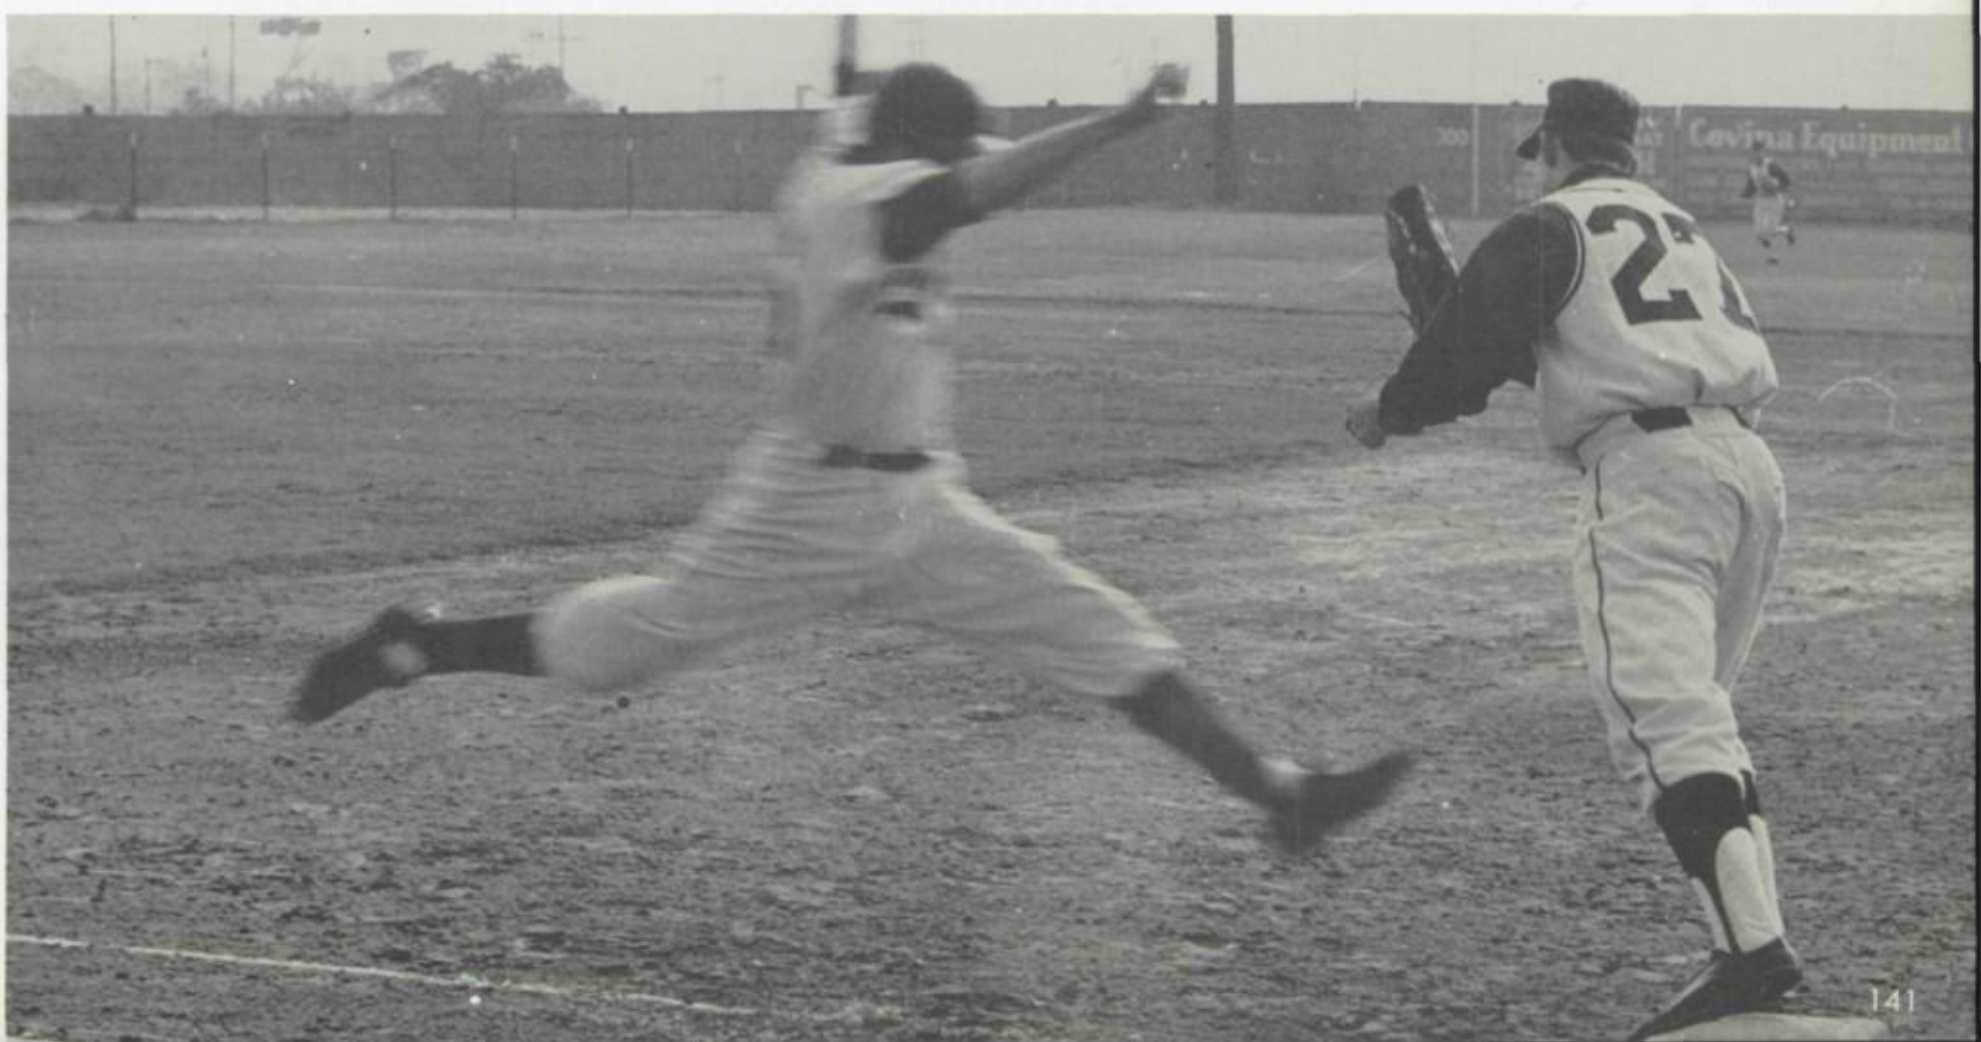
TOM SALINAS takes throw from center-field to put-out Rowland runner at 3rd.





RUSSELL hits a towering drive to right-field in tight game against Bloomington.

RUSSELL takes throw from Moton and nips Bloomington runner by a half step.



MEET THE J.V.'s: Front Row: Peter Pena, Bill Whorley, Rick Altman, Manuel Martinez, Don Glaze, Jim Baker, Gordon Fernald. Second Row: Don Riel, Ed Pitts, Paul Russell, Gary Hayes, Ray Marquez, Doug Tanner, Mike James.

J.V.'S IN RUNNING FOR LEAGUE TITLE

AT THE TIME that the Yearbook went to press, the baseball season was just getting under way, but the J.V.'s had already won some crucial games and were in contention for Inland League laurels. Combining a fair hitting club, with great pitching and defense, the J.V.'s have won some close games. It is our hope that during the remainder of the season the Junior Varsity continue on with its winning ways.

DON'S Fernald scores winning run against Bloomington.

MEET THE Track Team: Front Row—Bill Spikes, Nick Jaramillo, Shoemaker, Rich Sanchez. Middle Row—Ernie Martinkovic, Bill Sumner, Chester Martin, Keith Connors, Adrian Moreno, Jim Stone, La Verne Pruitt, Mike Smith. Top Row—Steve Comstock, Hans Albrecht, Jim Myers, Carl Avance, Jim Seader, Joe Flaco, Jerry Plume, Larry Campbell, Jeff Serpa, Steve Smelser.

TRACKMEN LOOK TO LEAGUE FINALS

WARMING UP slowly and hoping to be at full strength for the Inland League Finals, our Trackmen are capable of walking away with their share of medals and trophies. A relatively young squad with great potential, Coaches Coleman and Smorodin have high hopes for the members of the team. In the past, S.V. has been known to produce strong track teams and this year's squad is no exception.

COACH COLEMAN gets set to time distance men.

IN GOOD form coming over the bar, is high jumper Jerry Plume.

MIKE GIBSON takes hurdle in perfect form during training for Rowland Meet.

This is it. FRWL! Berkeley calls (Campbell that is); and who am I to ignore the call of the wild! The little grey wonder wagon is taking itself and us on the last trip to the Pub. (Taylor Publishing that is).

Lady Linda (Co-Editor Harrer that is) has no campus pass and must stay back with Mr. Knop and pout. And they are mad because they paid for the gas, (out of yearbook funds). I can't recall a M.M. (merrier moment, that is, not Marietta Minick). I will always recall Merry-etta Minick, and the cheerful way she let us cut up her Seventeen Magazines for paper dolls and paste-ups. We'd have gotten the paste-ups done but mad Brad blew the glue.

As we march to graduation, we might be chained together thanks to Gail Fernald, Lloyd Littlefield, and Carl Guest who handled your money, and are still handling it. It was to have been turned in weeks ago.

At times things looked so dark that Mr. Knop banished us one by one to the Dark Room (he preferred this punishment to 118). The result was negative. Many a bad case developed there (of film that is). Gary Thomas, Dana Knott, Ray Lunney, Andy Gillixson, and Brad Campbell developed an allergy to work (new?) and refused to shoot pictures of the graduation. Since our advisor was the only one not to graduate, he is to take the picture. (Don't bother to order the pictures, we didn't leave him any film! The camera's empty and he'll never know till we're gone!)

The most active men on the staff were Dave Woodside and Larry Moss. They're still running from the teams who were asked to pose and were left standing while W. & M. tried to find each other.

Also rotating through the room of rapidly disappearing pencils, tables, fingernails, hair, minds, typewriters, scissors, and people (we lost a few) were Judy Fox, Trudy Starr, Stella Perez, Robert Carlson, Vangie Chaidez, John Duckworth, Melinda Hunt, Jerry Miller, Carolyn Ray, John Thomas, Roy Colwick, Vicky Chapman, Bob Nixon, Robert Prescott, etc.

Each of these added something and, unfortunately, it's in the book, for better or for worse (mostly for money).

So, as we Seniors of '65 slink slowly into the smog (and say that with a lisp) we say simply, sincerely and serenely "S-LNG."

Your Ed's

P.S.

We hope you like what we said about you. If you don't, go look at your retouched pictures for a while and be happy. To those of you who will replace us (we need it) we hope there's something nice to say about you in your senior index when it's your turn.

P.P.S.

If you work on yearbooks late some year, beware of the police dogs. Brad Campbell says, "they carry guns."
